6. Fiscal Year 2015/2016 Work Goals and Objectives Third Quarter Report

Receive update on the Fiscal Year 2015/2016 Work Goals and Objectives. Raymond Wolfe

A copy of the 2015/2016 Work Goals and Objectives Third Quarter Report is being provided separately for your information.

SAN BERNARDINO ASSOCIATED GOVERNMENTS FISCAL YEAR 2015/2016 3RD QUARTER UPDATE INITIATIVES AND ACTION PLAN REPORT

	on Strategy: Use strategic programming to en					
1A -	Action Plan	Milestones	Milestone Status	Responsibility		
	Manage projects closely with Caltrans to ensure adequate review resources are available when projects are ready	May 1 is Caltrans' deadline for guaranteed access to federal OA	SANBAG staff meets monthly with Local Assistance to encourage early review of projects that are scheduled for delivery after May 1.	Fund Administration (Project Delivery)		
		June 30 is CTC deadline for project allocation or extension requests	SANBAG is on schedule to receive allocations or allocation extension approvals for all CTC-administered projects programmed in FY2015/2016 by the June 30 deadline.	Fund Administration (Project Delivery)		
	Notes					
Divisio B	on Strategy: Protect San Bernardino County's Action Plan		ederal funds Milestone Status	Responsibility		
		equitable share of available state and fe		Responsibility Fund Administration		

		Develop allocation strategy for Low Carbon Transit Operations Program (LCTOP) – Q2	The annual LCTOP allocation amount for FY 2015/2016 was released by the State on 10/30/2015. An allocation strategy was approved by the Board in January 2016 in accordance with the allocation principles approved by the Board in July 2015.	Fund Administration (Transit)
		Notes		
Divisio	on Strategy: Develop long-term bonding needs	to help leverage other funds and delive	er projects	
lC	Action Plan	Milestones	Milestone Status	Responsibility
	Establish 2016 sales tax revenue bond program	Update Ten-Year Delivery Plan – Q3	Staff recommends extending the completion of the Ten-Year Delivery Plan into FY2016/2017 so that the results of the I-10 Financial Plan update and various potential state and federal grant awards can be incorporated.	Fund Administration (Finance, Project Delivery, Transit, Planning)
		Notes		
Divisio D	on Strategy: Manage geographic equity in fund Action Plan	distribution across the County Milestones	Milestone Status	Responsibility
	Develop long-term strategy for ensuring geographic equity in fund distribution over the life of the Measure	Include refined project priorities through 2025 for Mountain/Desert subareas in 2016 update to the Ten- Year Delivery Plan – Q3	SANBAG Staff is actively working with Mountain/Desert jurisdictions on development of these lists and expects to presented them for Committee review in Q3. Final project lists will be evaluated in conjunction with development of the Ten-Year Delivery	Fund Administration

		Develop constrained project priorities through 2040 for Mountain/Desert subareas through 2040 – Q4	SANBAG Staff is actively working with Mountain/Desert jurisdictions on development of these lists and expects to present them for Committee and Board review in 2017 after results of Ten-Year Delivery Plan are known.	Fund Administration (Planning)
		Notes		
	on Strategy: Administer Transportation Develo		t and transparent manner	
1E	Action Plan	Milestones	Milestone Status	Responsibility
	Complete an update of the SANBAG TDA Manual and develop a TDA database for tracking allocations and disbursements	Complete update of TDA Manual – Q3	Staff provided the final draft of the updated manual to the transit operators for review in March and expects the final manual to be completed in May4.	Fund Administration
•		Develop database for internal tracking of TDA allocations and disbursements – Q4	Staff has coordinated necessary IT changes with Management Services and developed a scope of work for integration of the database in EcoSys. The database is expected to be operational for testing by end Q4.	Fund Administration (Management Services, Project Delivery)
		Notes		
Divisio	on Strategy: Implement electronic financial	records management system	20(42年) (8世) (88年)	
F	Action Plan	Milestones	Milestone Status	Responsibility
	Implement electronic insurance tracking system	Finalize and execute contract with EXGIS for tracking and maintenance in FY 15-16 – Q1	Contract completed in June 2015	Finance
	2. Implement electronic submission and tracking of insurance claims to be linked to SANBAG's website	Upload and setup contracts in data base in FY 15-16 – Q1	Data uploaded in July 2015	Finance

Fiscal Year 2015/2016 Initiatives

•	3. Implement electronic accounts payable system	EXIGS to contact vendors for new insurance in FY 15-16 - Q1	To be completed in Quarter 3.EXIGIS upgraded its system in December and has sent letters to vendors requesting new insurance certificates.	Finance		
		Insurance compliance of majority of vendors in FY15-16 – Q2	In progress. EXIGIS has requested current insurance certificates upon final implementation. Procurement currently verifies insurance compliance before issuing notice to proceed.	Finance		
		Create file structure in Laserfiche in FY15-16 – Q1	Completed	Finance		
		Create claim form and post it on website in FY 15-16 - Q1	Completed	Finance		
		Prepare EDEN approval structure system for accounts payable in FY 15-16 – Q1	Delayed to Q4. Finance has drafted procedures and will commence parallel testing in April before implementing electronic accounts payable agency wide.	Finance		
		Test electronic accounts payable process in FY 15-16 – Q2	Delayed Q4 Finance has drafted procedures and will commence parallel testing in April before implementing electronic accounts payable agency wide.	Finance		
		Finalize agency-wide electronic accounts payable process in FY 15-16 – Q3	Delayed to Q4 to properly plan and manage the implementation.	Finance		
	Notes

D	Action Plan	Milestones	Milestone Status	Responsibility		
	1. Reformat current budget summaries and provide additional summaries by major fund and object codes to be included in FY 2016-2017 budget document	Develop scripts with EDEN to provide certain budget summaries in FY 15-16 - Q2	Scripts were not created in EDEN. Data was retrieved from Eden to prepare the summaries. Summaries were completed in Q3 and s will be included in the FY 2016/17 proposed budget. The draft will be provided to Board in May 2016.	Finance		
	2. Develop revenue detail section of 2016-2017 budget document	Develop scripts with EDEN to provide certain revenue detail in FY 15-16 – Q2	Scripts were not created in EDEN. Data was retrieved from EDEN to prepare the summaries. Summaries will be included in the FY 2016/17 proposed budget. The draft will be provided to Board in May 2016.	Finance		
	Notes					
	Future development will include developing a comprehensive financial report for the Board dependent on the success of the aforementioned scripts Expected to be completed in late FY 15-16 or early FY 16-17.					
itiativ	ve #3: Focus on Creating and Strengthenia		Governmental and Business Entities			
ivisio	n Strategy: Continue regional forums to disc	uss issues of regional interest throughout	ut the County			
A	Action Plan	Milestones	Milestone Status	Responsibility		
	Actively seek to develop programs on regional issues, coordinate meetings with key stakeholders including legislators.	Conduct forums in each of the subregions – ongoing as issues arise.	Ongoing	COG Legislative and Public Affairs		
		Notes				

В	Action Plan	Milestones	Milestone Status	Responsibility
	Work with stakeholders to build a coalition advocating for a more rational approach	Develop strategies with 2016 AQMP data – Q3	AQMP not yet released. Strategies pending review of AQMP upon its release.	
	Provide opportunities to educate policymakers on the issues, options and implications		Spring Advocacy Trips for Mobility 21 and Inland Action carried air quality deadline message. Also part of SANBAG trip planned for Summer 2016.	COG, Legislative and Public Affairs, Planning

3C	Action Plan	Milestones	Milestone Status	Responsibility
	Actively work to implement and further the Countywide Vision	Promote and engage local agencies in a Countywide literacy effort in FY 2015/2016. Make presentation to Board introducing idea by September 2015.	Incorporating literacy into the 2016 City/County Conference	COG
		Develop program to encourage addition of business friendly best practices by cities. Discuss draft program with City Manager's TAC at October meeting to launch in – Q1 2016.	Subcommittee of City Managers selected to determine ways to measure adoption of Business Friendly Best Practices. Will report to full City Manager's TAC by June 2016.	COG
	Inform and educate the Board on the current COG activities and seek direction for future COG activities.	Keep Board informed of COG activities with monthly presentations and with an at least quarterly COG newsletter.	COG newsletter being published on quarterly schedule, with issues released in August, November, and March. Staff has developed a schedule of COG related items for each Board meeting.	Legislative and Public Affairs/COG

		Discuss COG structure and funding as part of the Strategic Planning Retreat in September 2015.	Complete. Received direction from Board to add staff and adjust dues. Will be incorporated as part of FY 2016/2017 budget.	COG
		Prepare an annual COG work plan in advance of the budget.	In progress to be presented by April 2016 Board meeting. Delayed to May 2016 Board meeting.	COG
		Notes		
			IA.	
Divisio 3D	on Strategy: Environmental Stewardship Action Plan	Miles	NO.	
3D		Milestones	Milestone Status	Responsibility
	Provide leadership and assistance to our members in implementing clean energy and conservation projects to reduce utility bills and reduce greenhouse gas emissions (GHG).	Review alternative PACE programs for consideration by member agencies to add competition and bring down overall rates for consumers, thus increasing market adoption. Bring alternative PACE providers to Board for consideration in September 2015.	Complete. Alternative providers vetted by staff. MOU with providers to reimburse SANBAG for staff time scheduled for March 2016 Board meeting.	COG
		Apply for grant funding to implement public electric vehicle (EV) charging networks in the region by Q1 in 2016.	CEC has not yet released grant. We are prepared to submit expecting grant release in Spring 2016.	COG
		Establish Energy Leader Partnership with SCE and Gas Company to provide incentives to local governments for energy conservation and leadership programs. Energy Leader Partnership approved by the CPUC in April 2015. Partnership agreements will be presented to Board in Q1 2015.	Complete	COG

		Energy Leader Partnership resolutions will be distributed to 15 member agencies not already part of a partnership in Q1 2015.	Complete	COG
		First Energy Leader Partnership meeting scheduled for Q1 2015.	Regular quarterly meetings now being held.	COG
		Assist local agencies to host LED Christmas light exchange Q2 2015.	Complete. Five cities participated. Will schedule again in 2016 and begin to recruit cities for participation earlier.	COG
		Explore the feasibility of Community Choice Aggregation (CCA) in the County or in cooperation with WRCOG. CCA is a way of providing choice for how communities get their power and can allow for lower costs to consumers and provide more opportunities for clean energy. Provide an informational item to the Board in Q1 2016 and get direction for further action.	Board approved participating in a feasibility study with WRCOG and CVAG. RFP for consultant has been released by WRCOG and selection expected by May 20'16.	COG
